First of no Change to Covid 19 guidelines which also means no change to our studio guidelines. Please do not come into the studio if you feel unwell and get tested if you are unsure. This month is LGBTQI+ Pride Month in which we celebrate everything LGBTQI+. There is a lantern festival on mid June as part of Loemis midwinter festival for which you may have already been making lanterns in our workshops and finally we will be celebrating Matariki at the end of the month with a midwinter shared kai, korero and waiata. After which we will all require a bit of a break so we'll close the studio for a few days so we can regroup and get the studio in order. This month is also a good time to reflect on the past few months, finish works and take all completed artworks home. If you have any queries about this, staff are happy to assist.</p> <p>Ngā mihi nui, The Team</p>
