October will be a busy month here at Pablos, as we are well on our way to getting our annual auction prepared. Please bear with us as we get this show on the road as there will be some disruptions to our usual programming. This year's auction is taking place on Wednesday November 23rd at the National Library of New Zealand. It has been great to see all the zine creations happening in various workshops within the studio over the last month. We have secured a stall at zinefest for the occasion. Zinefest is happening on the weekend of the 15th of October we have the stall available on Saturday only, if you would like to support this kaupapa please make sure you have your zines ready by Friday 14th of October and/or let staff know if you would like to help out on the day. We will be making our monthly visit to The Pyramid Club again to explore anything sound. It happens every first Thursday of the month, come along and support this wonderful opportunity.

The wind swings to the west  
then turns to the south, settles down.

Making it prickly cold inland  
Making it piercingly cold at sea.

The glowing morning will rise  
on ice, on snow, on frost.
